Weekly Resources

Physical Education

Students attend physical education classes weekly. Activities are designed to develop age-appropriate motor skills, sportsmanship, and encourage an active and healthy lifestyle.

Art

Students will be introduced to a variety of mediums including paint, pencil, and clay while studying art history and techniques.

Library

Using the Academy Library, students are introduced to using books for research and pleasure. Students are able to choose books that interest them to check out.

Music

Students perform an annual Christmas Program and Spring Musical. All students are part of the chorus and are encouraged to audition for solos. Students in grades 3 and up are invited to audition for speaking parts.

Equestrian Studies

Students in grades Kindergarten through Fourth grade have a 3D Ranch Kids Club Meeting monthly, where they are introduced to horses and basic equestrian skills. They will have an opportunity to visit 3D Ranch Ministries at least once during the year to put their skills to use. Fifth through Eighth Grade students have a weekly Equestrian Skills class where valuable life skills are taught through horsemanship. Students spend one day each week at 3D Ranch Ministries where they build a one on one relationship with a resident horse.

Chapel

Every student participates in our weekly chapel program that includes songs, a relevant Biblical message, and prayer time.

Spanish

Sixth through Eight Grade students learn Spanish vocabulary and syntax in their weekly resource. Classes are taught by a native Spanish speaker.

What Makes Us Special

Baymeadows Christian Academy was started in the mid-1990's out of the desire to offer an academically sound Christian education while meeting the physical, emotional and spiritual needs of students and families. It is with that same desire and heart that our doors are open today.

We utilize both ABeka Book and Bob Jones University Press curriculums to ensure students are given a well rounded, Biblically sound academic foundation. Students are held to high standards in the classroom both academically and behaviorally.

We limit class sizes to 15, providing students the opportunity for one on one interaction with their teachers. Speaking of teachers, we have the best. BCA staff are here because God has called them to teaching. They love what they do, they love their students, and they deeply desire for every student to be successful, both in school and in life.

Baymeadows Christian Academy is a family. A small school where every staff member knows—and cares about—every student.
